Mr. Jack Surrette

PRINCIPAL'S MESSAGE TO SENIORS

The 1970-71 school year marks a significant year in the life of Mainland Senior High School. The "Buccaneer" is emblematic of the progress of our institution and a symbol of our fine graduating class.

As time passes by, you will cherish the documentation of events which are compiled in this book, compiled by a wonderful group of students who cared enough to give their very best. Your "Buccaneer" will provide you a permanent record of the part played in the history of this school by you and your associates of high school years.

I sincerely hope that those who are qualified will continue their formal education beyond the high school level. It is my philosophy that each individual is obligated to educate and develop his abilities to the fullest capacity. When these abilities are fully developed, the individual can then make a greater contribution to the welfare of society.

May this issue of the "Buccaneer" serve always as a means of keeping alive in your hearts and minds your love and loyalty for your Alma Mater. May it also serve as a reminder of your obligation as an alumni in supporting your school in future years.

Many students have made outstanding contributions to Mainland Senior High School and it is my hope that our school program has contributed much to the academic growth, cultural advancement, and personal happiness of each student. To those of you who are departing this year, we wish for you every success in the years to come. We hope that you will cherish the past and look forward to the future.

The Porpoise Newspaper Staff

The Porpoise staff has resolved to "Give Peace a Chance" in 1971. The staff tried to put together a newspaper that Mainland could be proud of. The Paper was highlighted bv the drawings of Bob Holden, and the humorous satires of Craig Broughton. Debra Oliver and Kitty Thompson contributed many of the news stories and special fiction items. The Paper adopted a new format and printing and took on a more modern look.

The 1970-71 Majorette Corps worked many long, hard hours to put together their part of the band's fine parade and half-time shows. Practice on hot afternoons with the band, and many hours of individual practice, have given each one her skill in baton twirling. These girls have given their time in not only helping themselves, but in making our school proud.

Homecoming Activities

Besides building floats, we had a bonfire and pep rally Thursday night. Our King and Queen were crowned during a half time show featuring the band.

Homecoming Parade

Two weeks of long hard work is what our clubs went through to present some beautiful, glittering floats. Our theme was "Legends." Friday morning, Homecoming Day, dawned bleak and misty. Floats lined up in the parking lot ready for the parade. But within minutes after the parade began, rain came down. It didn't seem to bother the Jaybee's. Their float walked away with first place. Junior Debs and Anchor tied for second, and the Sophomore Class placed third. Junior Civitan received a special merit award.

Boys' and Girls' State

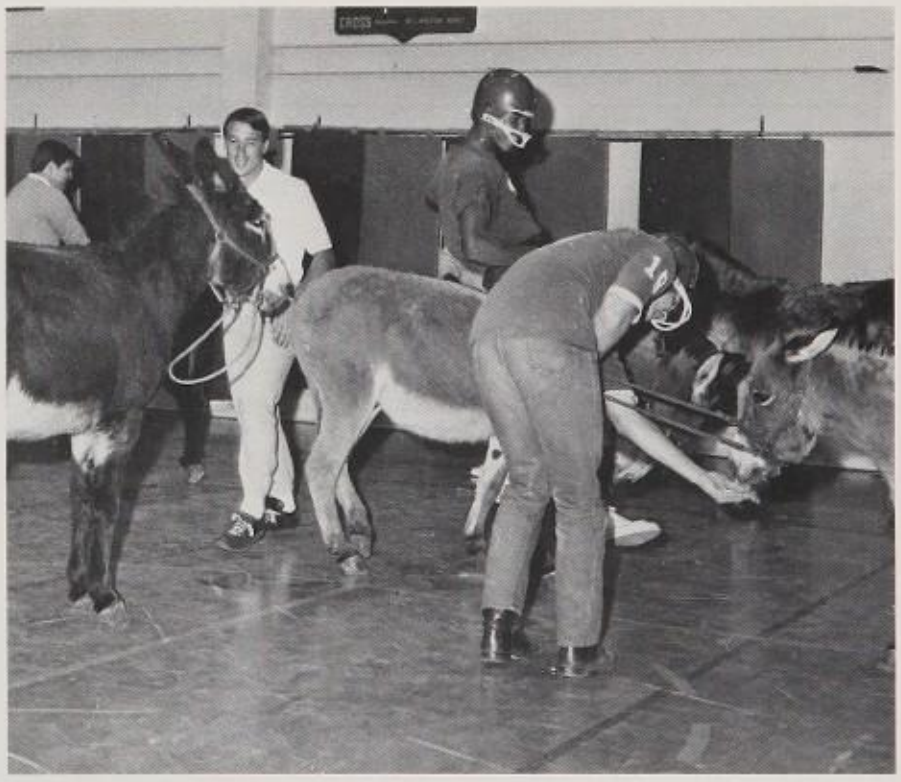
Donkey Basketball



Sponsored by the Exchangettes and Exchange Clubs, Mainland's first Donkey Basketball game was held Jan. 27 in our gym. Not knowing what they were getting in to, the faculty challenged students and along with a 18-6 victory, the teachers walked off the court with a few aches and pains.

Sadie Hawkins

After defeating Bishop Moore in our Basketball game Jan. 5, everyone strolled down to the lunchroom to "groove to the sounds" from the Stone Balloon. This was our annual Sadie Hawkins dance sponsored by the Keyettes. Prior to the dance the Boys Clubs nominated a girl for Daisy Mae and the Girls Clubs nominated a boy for Little Abner. Voting was done at the dance and we chose Jane Chiodo and Tony Stellitano as Daisy Mae and Little Abner.

Basketball Homecoming

Homecoming . . . Basketball style. The SGA decided it was time we saluted our fabulous basketball team. So, on Feb. 19, our last home game, a parade of "little floats" circled around the gym during half time. Basketball parents were called upon to be judges. They decided that the Spanish Club deserved the honor of first place. Also during half time Liz Weeks and Jake Davis were crowned Basketball Homecoming Queen and King.

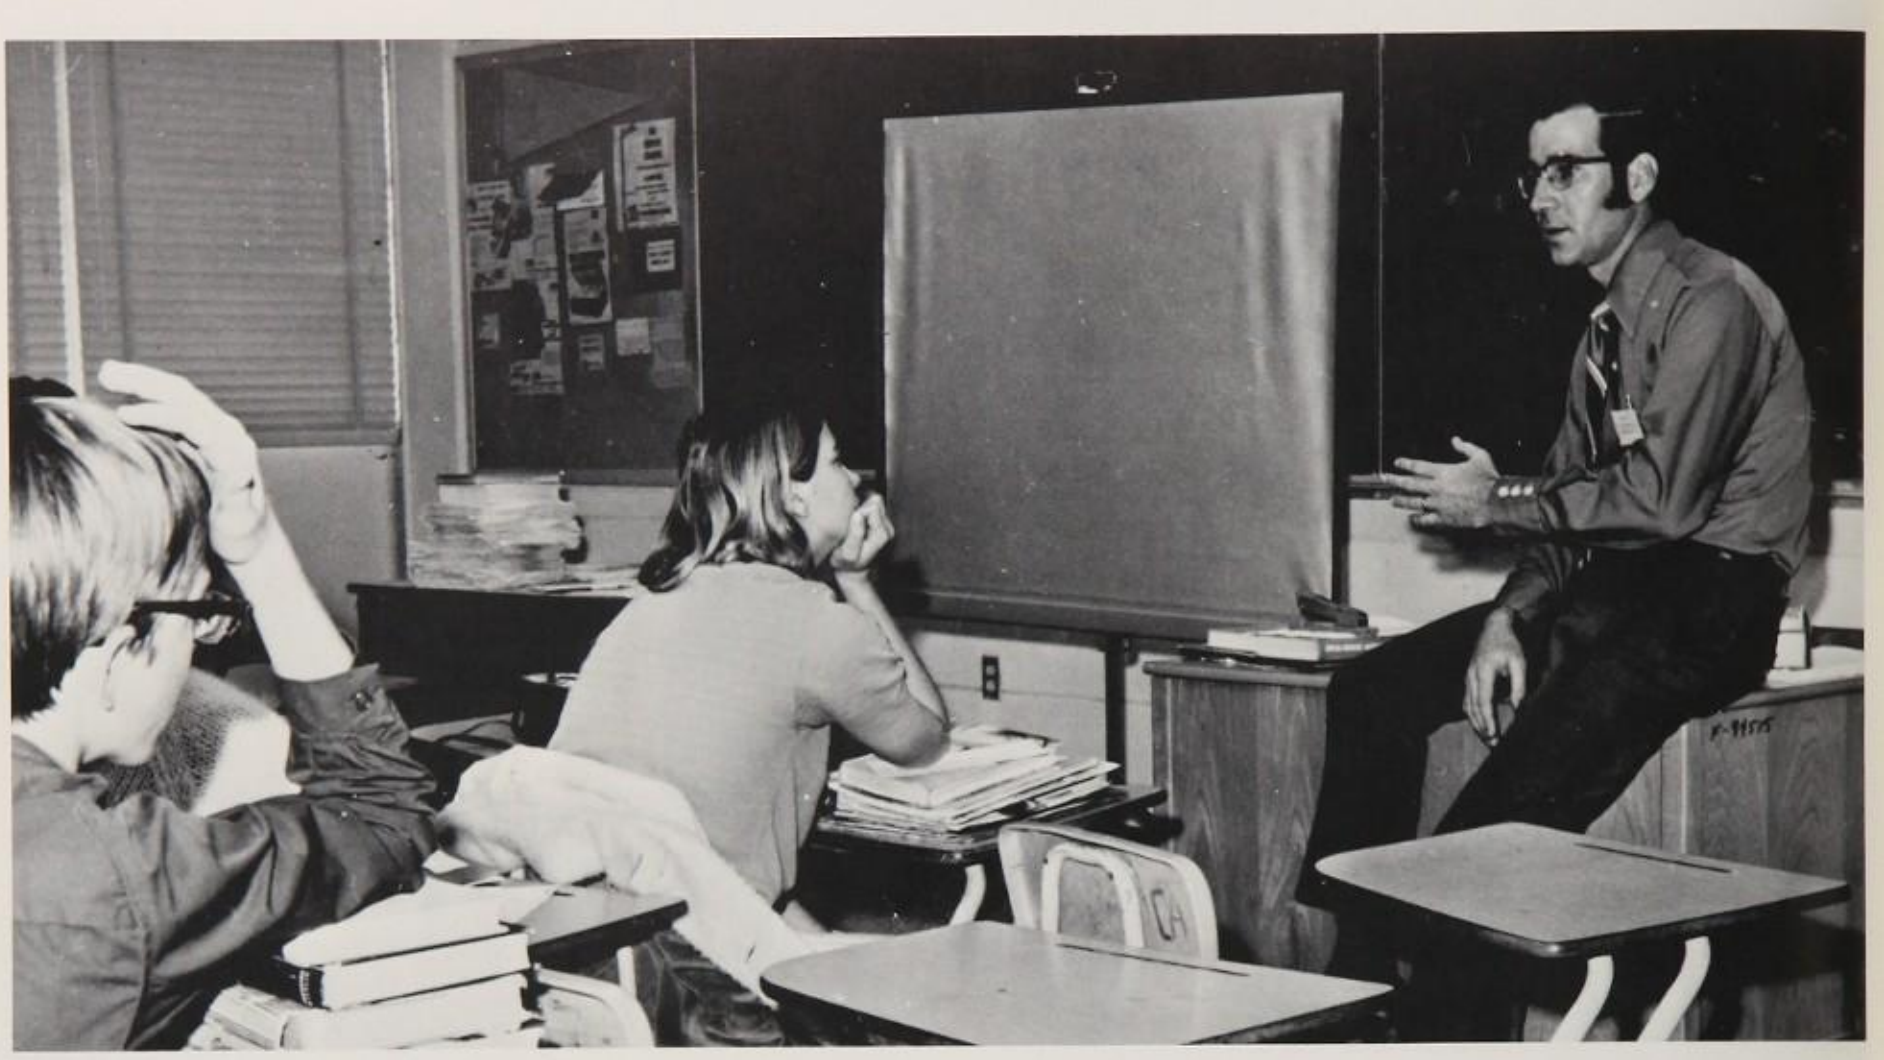
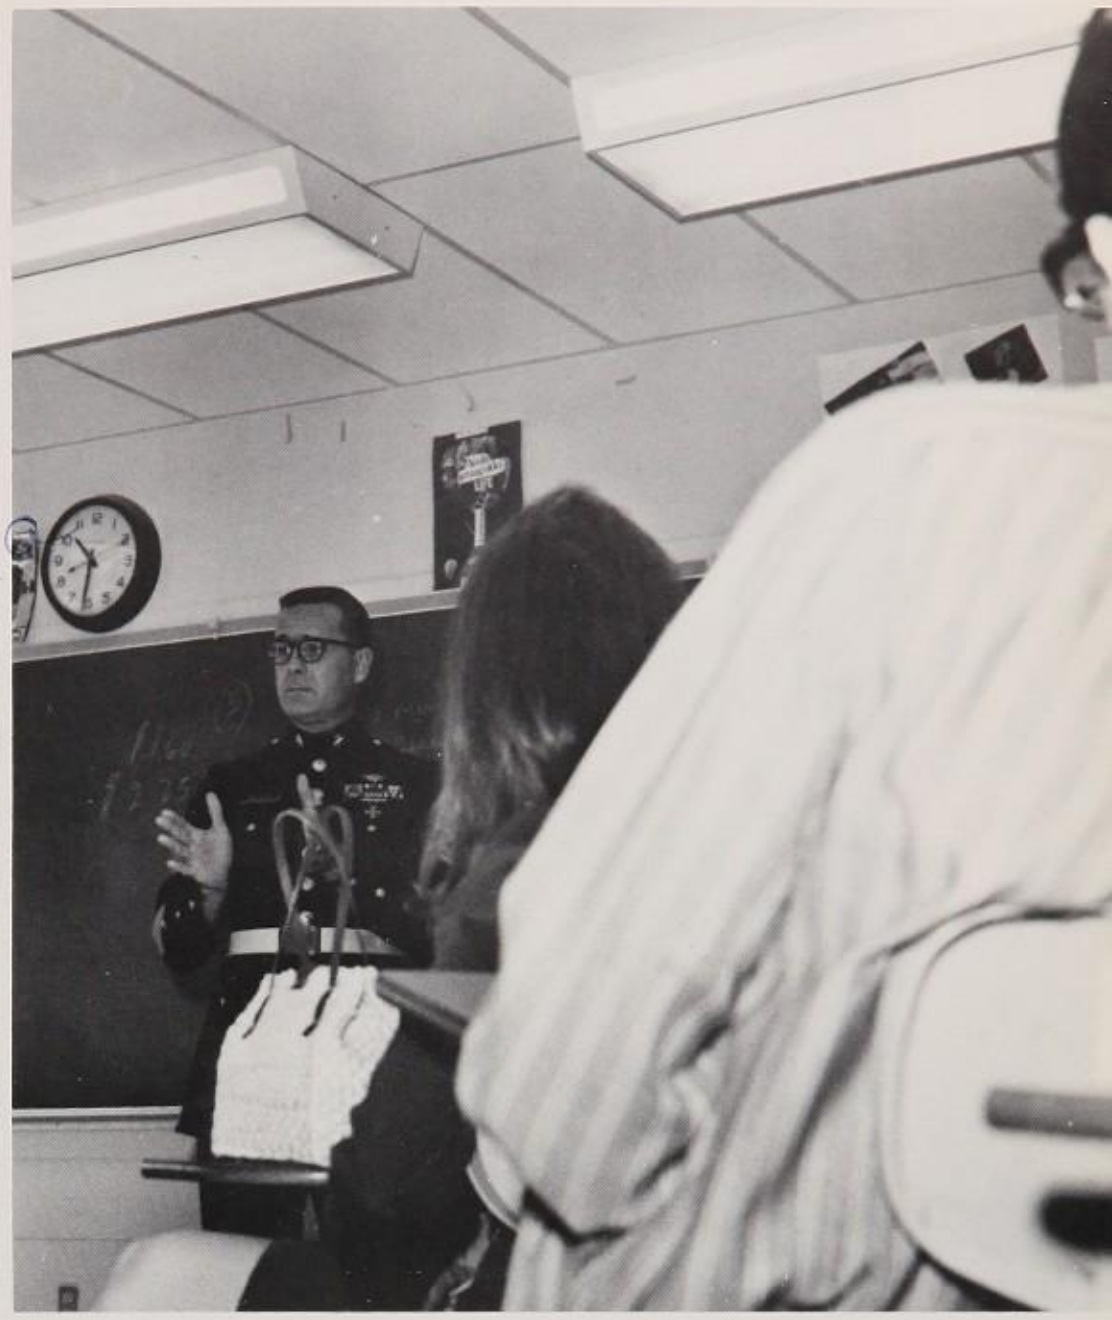
Career Day

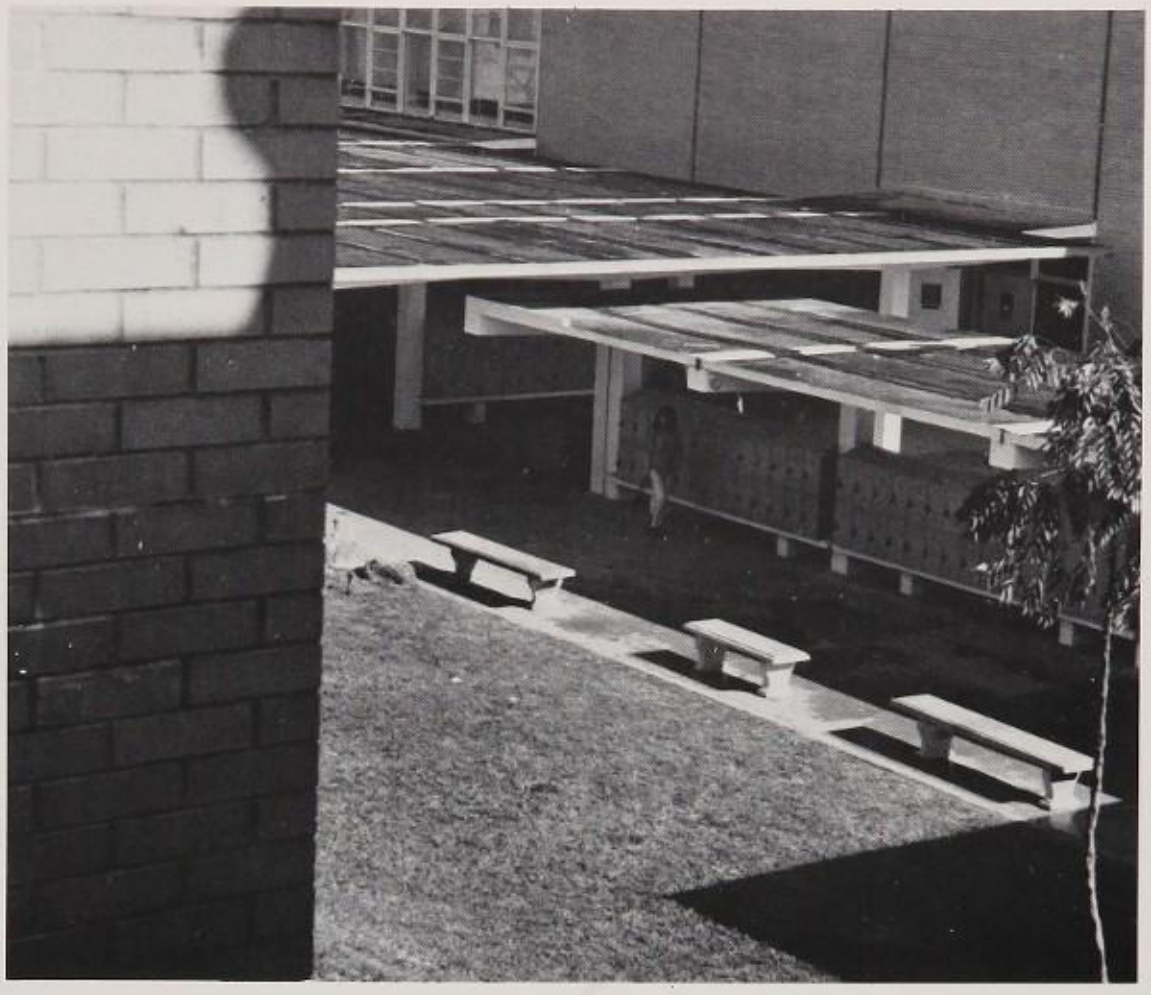




Career Day was held this year on March 11 for the seniors and juniors and March 18 for the sophomores. Preceding the two sessions a reception was held in the cafeteria for the guest speakers. The SGA took a big part in helping out by arranging for speakers and even writing thank you notes. Appreciation certificates were presented to each speaker.

Mainland: Outstanding no matter what angle you approach it from . . .

Standing on the outskirts of a growing town, set on a hill. A Place to be proud of.



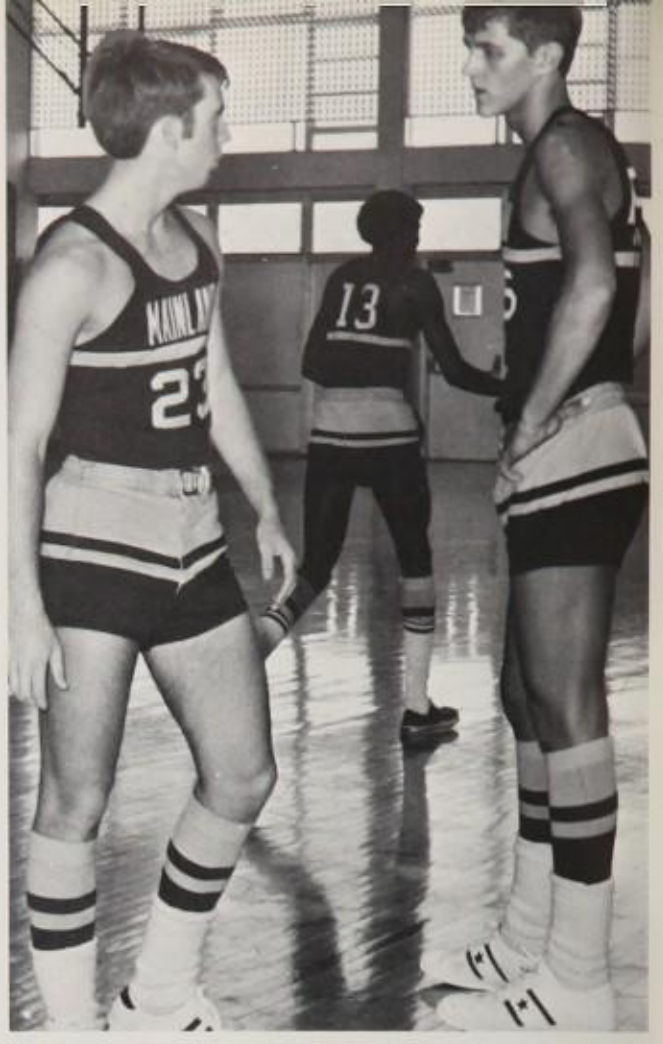
To the Class of 1971

1971 may be just another year to most people but for us it's the year things will start to change. We'll graduate from Mainland Senior High School and continue on our separate ways. Some will start their vocation in life, others will go on to more schooling and still others will go with Uncle

Sam. It was necessary to work as a unit, depending on other people and being depended on, but when we are graduated that need will disappear. The future is ours for the taking if we'll remember our motto: "Live for today, forget the cares of the past."

Oh, you think so!!

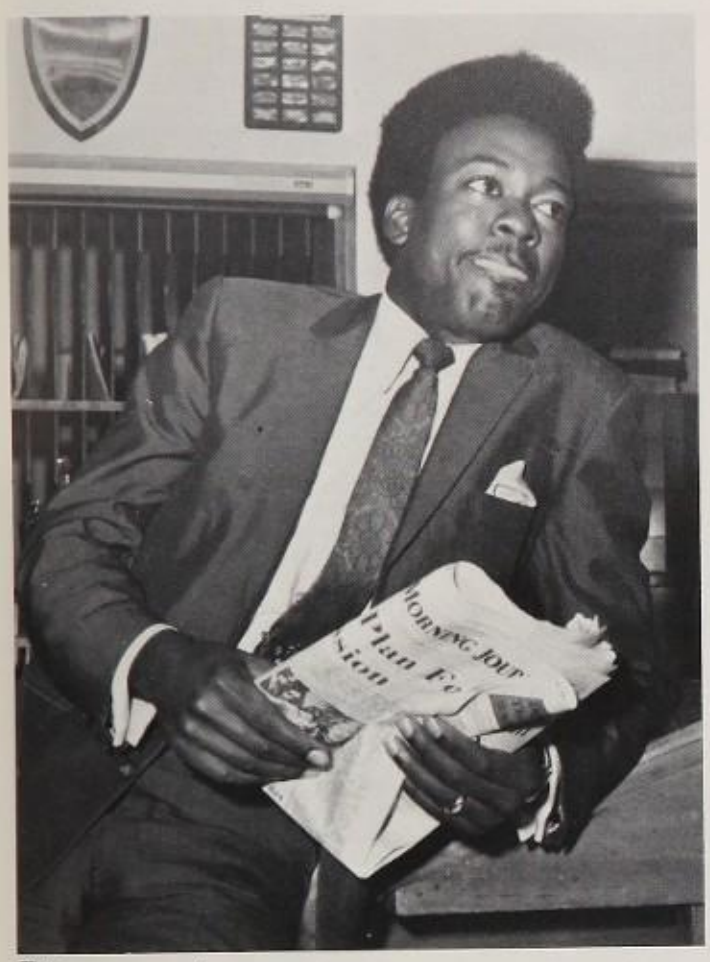
Did that mean boy hurt your feelings?



Just because you're the star of Cable T.V .

Which way to the cave?

Boy, I wish they would give me something to do on Saturday.



Bite your tongue.

Home-Brew.

A Word of Thanks

It takes many people, lots of hard work, and plenty of time to put together a good annual. This year's Buccaneer is a combination of all these elements. So it is with much appreciation we give these people thanks for their *extra* help:

— MR. JOE LUST for his photography, much of which was done in his spare time.

— MR. RON BINNS, Taylor Publishing Company representative, for his valuable help in planning our book.

— MR. MICHAEL DEXTER for his quality work in processing our Senior pictures and the many "extra" services he's given the staff.

— MRS. CONNIE HELMS for all her information and assistance on club activities and planning.

— MR. AMOS BARRS for being assistant annual staff advisor.

— MR. CLIFF FISHER for his continued interest in the annual's activities.

— MR. RUSS HOADLEY, The 1971 Buccaneer Advisor, for his uncountable hours of work and our apologies for his constant worry as to whether we would pull through at the last minute!

. . . and at this time, one of the things we'd like to do, is to pass on a little bit of philosophy that could hold true at any stage in this game of life . . .

"When the going gets tough,
the Tough get going."

Good luck in all you do—make the most of your abilities, whatever they may be—and you'll be ready for each opportunity when it comes your way.

"School it, baby!"

And unless he completes his education, his time is going to run out.
His time to get ahead. His time to get a promotion.
His time to get a better salary. His time to succeed in life.

Stay as sweet & nice as you are.
Good Luck always.
